

40 YEAR LIMITED WARRANTY

Can-American Corrugating Co. Ltd's policy of quality and durability in the manufacturing of its painted roofing and siding products, CA 2000, Pro Fit® and R-Panel® are represented by this Limited Warranty. This Limited Warranty is valid for a period of forty (40) years from the date of shipment as per provisions below.

WARRANTY COVERAGE

1. During the terms of this Warranty, the painted panel will not perforate or fail structurally due to deterioration from red rust.
2. The paint will not:
 - A) Crack, check or peel (lose adhesion) for forty (40) years.
 - B) Chalk in excess of a numerical rating of 8 when measured with the standard procedure specified in ASTM D4214-98, Method D659 on sidewalls for a period of thirty (30) years from installation or thirty and one-half (30 ½) years from application. CA Red is for a period of ten (10) years from installation or 10 and one-half (10 ½) years from application.
 - C) Chalk in excess of a numerical rating of 6 when measured with the standard procedure specified in ASTM D4214-98, Method D659 on roofs for a period of thirty (30) years from installation or thirty and one-half (30 ½) years from application. CA Red is for a period of ten (10) years from installation or 10 and one-half (10 ½) years from application.
 - D) Fade or change colour by more than 5 units Hunter ΔE units for sidewall panels in accordance with standard procedure of ASTM D2244-02, for a period of thirty (30) years from installation or thirty and one-half (30 ½) years from application. CA Red is for a period of ten (10) years from installation or 10 and one-half (10 ½) years from application. The exposed paint surface, which has been cleaned of any surface soils and chalk, will be used to measure color change, coupled with the related values measured on the original or unexposed painted surface. Furthermore, it is acknowledged that fading or color change may not be consistent if sun and element exposure is not equally distributed.
